**Greetings from the Board of Trustees of the Flynn Cemetery:**

The Flynn Cemetery Trustees continue to make every effort to maintain and improve the cemetery property. We are always ready to listen to families with concerns and questions and to respond as efficiently as possible.

Mowing of the property takes place on a regular basis from April through September. We earnestly solicit your help in the maintenance by refraining from placing shrubs or other plantings around graves. Cemetery Rules and Regulations prohibit plantings around the graves. Placement of mementos around graves and headstone areas should be limited. The cemetery cannot be held accountable for damage that might occur to items during the mowing and trimming activities.

Comments and suggestions from family members are welcome at any time. In addition to physical maintenance we strive to maintain our cemetery records. The Trustees are making concerted attempts to locate all families associated with the cemetery. A list of names of persons buried at the Flynn Cemetery is available at the above address or you may call for information. We are asking for any additional family addresses that you may have so that we can locate and contact all families associated with the Cemetery.

The Board of Trustees usually meets monthly on the last Saturday of each month (except the months of November and December) at 10:00 AM at the cemetery or at the Mount Olive Freewill Baptist Church located at 439 Old Glade Road north of Hallsboro. If you wish to meet with the Board, please call and confirm the date, time, and place before coming.

**An Annual Contribution** by each family is vital to the continuing upkeep of the cemetery property. We hope that you will contribute to the Cemetery maintenance and operating fund and we solicit your support. We are asking all those who have reserved plots and or loved ones buried in the cemetery to **please contribute a minimum of \$50 to the fund. Any amount is appreciated.** Checks should be made out to the Flynn Cemetery Association and mailed to the above address.

**The Flynn Cemetery website** is open and operating. Rules and Regulations as well as other information is posted there. We hope that this will provide a way that concerned people can get information about the cemetery on a continuing basis on line. Please visit <http://www.flynncemetery.com> and take a look around. We also have a **Facebook** page.

If you have questions or need information about the Cemetery please contact one of the trustees at the phone numbers or email addresses listed below or write to us at the above address.

Sincerely,

**The Trustees**
